

Abrasive cloth, waterproof

CS 416 Y

Properties

| | |
|---------------|------------------|
| Bonding agent | Resin |
| Grain | Zirconia alumina |
| Coating | Semi-open |
| Backing | Y-polyester |

Product benefit

Very high aggressiveness and abrasive performance - Long service life also when used on materials that cause clogging

Materials

| | |
|-----------------|---|
| Stainless steel | ● |
| Plastic | ● |
| Leather | ● |
| NF metals | ⓘ |

Applications

- ▶ Railing construction
- ▶ Wall and façade builder
- ▶ Apparatus and container manufacturing
- ▶ Foundries
