

# Abrasive cloth, waterproof

# CS 416 Y

## Properties

Bonding agent	Resin
Grain	Zirconia alumina
Coating	Semi-open
Backing	Y-polyester

## Product benefit

Very high aggressiveness and abrasive performance - Long service life also when used on materials that cause clogging

## Materials

Stainless steel	●
Plastic	●
Leather	●
NF metals	ⓘ

## Applications

- ▶ Railing construction
- ▶ Wall and façade builder
- ▶ Apparatus and container manufacturing
- ▶ Foundries
